The meeting was called to order at 9:35 a.m. A motion to accept the minutes of the September meeting was made by James Canavan, seconded by Phil Arthur. All in favor, motion carried.

There being no old business, the Chairman opened the meeting to new business.

Phil Arthur mentioned that Finch, Pruyn had a fire and asked John Ellingsworth to talk about it. One of the few problems they experienced was with the telephone system. They have since done some things to correct this.

Mr. Farrell asked if there were any potential hazmat dangers the committee should be aware. The listing received from EnCon and several sites were discussed but it was agreed that our greatest hazard is the Northway and what is being transported that we are not aware of.

Marv Lemery reminded the committee that we are planning a presentation for all elected officials sometime after the first of the year to explain our roles in emergency management. Our State Emergency Management counterparts will join John, Marv, Jim Canavan and Sheriff Lamy in this endeavor.

John gave a short report on the dam failure exercise we participated in with Niagara Mohawk, several other agencies and other counties.

Our next meeting will be March 12, 1996 at 9:30 a.m.

There being no further business, a motion to adjourn was made by Herb Riedel, seconded by Chief Carey. All in favor, the meeting was adjourned at 10:00 a.m.

Respectfully submitted,

Joan Dillon
Secretary
