

Amy Hirsch LEPC Chair

- Bulk Crude Oil Spill Tabletop Exercise- AAR/IP has been completed.
- Hazmat Plan will have a number of changes in the 2016 update due to the above mentioned AAR/IP.
- For this year's grant we will again be working with the 7 county HAZMAT consortium. We will be working on a commodity flow study. Focusing on facilities that submit Tier II reports and others that don't meet the EPA requirements for submitting a Tier II report but have hazardous materials.
