

The Long Term Care Council is made up of individuals receiving services, caregivers, health care providers, and many agencies that work together to problem solve. We assess needs, identify gaps in long term care, and work to improve service delivery for all consumers.

YOUR PARTICIPATION IN LTCC IS IMPORTANT!

WE MEET QUARTERLY TO DISCUSS CURRENT ISSUES RELATED TO LONG TERM CARE.

NY Connects: Choices for Long Term Care Services & Supports

NY Connects is a statewide, locally based “No Wrong Door” entry system providing one stop access to free, objective, and comprehensive information and assistance on long term care services and supports.

A long term care council (LTCC) must exist in each county to conduct long term care system planning and development to ensure achievement of the goals and objectives of NY Connects.

The Council reports their activities and recommendations to the lead agency, who is required to report directly to the county chief elected official, legislative board, or their designee.
