## Disabled Veterans: Modify your home with VA housing grants

Did you know VA offers housing grants to Veterans with certain service-connected disabilities and disabilities resulting from aging?

VA stepped in when Peter, an Army Veteran, had physical challenges navigating his home. "The VA provided me with a grant which allowed us to equip our house for complete handicapped access," he says. Renovations included widening door openings, installing grab bars, ramps and more.

### ***Specialty Adapted Housing (SAH) and Special Housing Adaptation (SHA) Grants***

To help Veterans with permanent and total service-connected disabilities live more independently, housing grants can be used to build an adapted home or make modifications to an existing one.

### ***Home Improvements and Structural Alterations (HISA) Grant***

This grant provides medically necessary [improvements and structural alterations](#) to Veterans' primary residences. Eligibility is not limited to Veterans with service-connected disabilities.
