About the month of August

August is the eighth month of the year in the Gregorian Calendar and one of seven Gregorian months with the length of 31 days. August begins (astrologically) with the sun in the sign of Leo and ends in the sign of Virgo. Astronomically speaking, the sun begins in the constellation of Cancer and ends in the constellation of Leo.

This month was originally named Sextilis in Latin, because it was the sixth month in the ancient Roman calendar, which started in March about 750 BC under Romulus. It became the eighth month either when January and February were added to the beginning of the year by King Numa Pompilius about 700 BC or when those two months were moved from the end to the beginning of the year by the decemvirs about 450 BC (Roman writers disagree). It was renamed in honor of Augustus in 8 BC because several of the most significant events in his rise to power, culminating in the fall of Alexandria, which fell in this month. Lore claims August originally had 29 days in the Roman Republican calendar. Augustus took two days from February and gave it to August when Sextilis was renamed in his honor. This commonly believed lore was proven wrong.

Protect Loved Ones with a Summer Survival Kit

The current heat wave in the northeast is more than unpleasant—for seniors, it is also extremely dangerous.

Seniors are far and away the most at-risk population for serious consequences related to dehydration, heat stroke and exhaustion resulting from abnormal summer temperatures, and it's vitally important that you take necessary precautions and regularly check on loved ones. To safeguard seniors in summer's heat urges families to put together a simple “Senior Summer Survival Kit” that can be assembled in minutes for less than $25.

The kit is an easy, inexpensive way to make sure seniors have what they need to stay safe and comfortable during hot summer days, especially when family caregivers may be off on vacation.

Whether seniors are traveling themselves or staying on their own while the rest of the family is out of town, it’s absolutely vital that seniors have the resources to be safe, happy and healthy.

Quick Facts: Why Heat Is So Dangerous For Seniors

- The amount of water retained by the body decreases substantially with age.

As a result, seniors are at far greater risk of heat-related health problems such as heat stroke, heat exhaustion, severe sunburn and dehydration.

- According to the US Centers for Disease Control and Prevention, over 8,000 Americans have died as a result of heat-related afflictions during the past two decades.

What to Put In the Kit

- Reusable water bottle to maintain hydration
- Copies of all prescriptions and health insurance cards
- Phone numbers of health care providers and information concerning chronic health problems
- Sunscreen with at least SPF 30 to protect skin and prevent serious burns
- Multivitamins to keep the immune systems strong
- Battery operated/hand-held fan in case of power outages and extreme heat

Most heat-related issues for seniors can be avoided through simple planning and precaution. A few minutes of planning and a quick trip to the drug store can make all the difference.

Tomato-Basil Chicken

Full of fresh pesto flavors, this saucy chicken dish rests on a bed of hot fettuccine.

**Prep Time:** 20 Minutes  
**Total Time:** 20 Minutes  
**Makes:** 4 servings (1 1/2 cups each)

### Ingredients

- 8 oz uncooked whole wheat fettuccine
- 2 teaspoons olive or vegetable oil
- 1 medium onion, finely chopped (1/2 cup)
- 1 clove garlic, finely chopped
- 3 medium tomatoes, chopped (2 1/2 cups)
- 2 cups cubed cooked chicken or turkey breast
- 3 tablespoons chopped fresh or 1 teaspoon dried basil leaves
- 1/2 teaspoon salt
- 1/8 teaspoon red pepper sauce

### Directions

1. Cook and drain fettuccine as directed on package. Cover to keep warm.
2. Meanwhile, in 10-inch nonstick skillet, heat oil over medium-high heat. Cook onion and garlic in oil, stirring occasionally, until onion is crisp-tender. Stir in remaining ingredients except fettuccine; reduce heat to medium.
3. Cover; cook about 5 minutes, stirring frequently, until mixture is hot and tomatoes are soft. Serve over fettuccine.

### Wild about Whole Wheat

Whole wheat flour is a great way to help fill your day with fiber. Fiber works to maintain your digestive system by keeping things moving.

### Substitution

No fresh tomatoes? Two cans (14.5 oz each) diced tomatoes, drained, make a great substitute. Keep a stash of canned tomatoes so you can make this quick dinner anytime!

### Did You Know?

Many different olive oils are available. Extra-virgin, from the first pressing of the olives, has a fruity flavor that doesn't take well to heat. Go ahead and use the less-expensive pure olive oil when heating the oil.

Joanie Fiore Flanagan's 2012 Bike MS Begging Letter

Why I Fight MS
I believe that I can do something about Multiple Sclerosis. Life itself is unpredictable, but having MS makes that uncertainty even worse. Imagine dealing with the thought that maybe one day, you will wake up with partial blindness, or your memory will fail you for no apparent reason, or you may not always be able to walk. When I ride or fundraise, I am helping make at least one thing certain—that people with MS will continue to have hope for a cure and finding its cause.

Why I Ride
My husband Bob and I love riding in Bike MS. We focus on fundraising and look forward to meeting our goals and the challenge of riding in the event year after year. Riding in Bike MS is what I can do to prevent more people from learning what it means to live with this disease.

Help me reach my goal again this year
The only thing I love more than riding in Bike MS is when people I know and care about say "Yes, I will sponsor you," then hand me a check or cash. It makes me know that people out there do want to help create a world free of the baffling disease. It also makes me realize how lucky I am to be able to count on you year after year. Every dollar you sponsor is appreciated, as I strive to be a substantial fundraiser. Last year, through the support of my friends, family and business contacts, I was the top fundraiser for North Country Bike MS. My total for 2011 was over $9,297. Thank you in advance for your continued support. Help me meet my goal of $12,000 in 2012!

The bike ride is Sept 22, 2012 at Burch Hill, Schodak, NY.
