FROM: Deanna Park, Director, Office for the Aging
RE: NOMINATIONS FOR SENIOR OF THE YEAR
DATE: December 7, 2016

It’s that time of the year again, and the Office for the Aging asks your assistance in recognizing seniors who have made significant contributions to enhance the lives of other seniors within their community. We request that each senior club, center, meal site or town select an individual to represent their group as a possible recipient of these awards. Please remember that membership in an organization is not required for nomination. Please feel free to distribute this letter to other groups or individuals, outside of the above, that may have a candidate for consideration. The state will no longer accept the nomination of a couple for a single award. If you wish to nominate a couple they will need to be nominated separately.

I have enclosed a copy of the NYS Senior Citizen’s Day Recognition form; the form will also be available on our website and may be filled in and emailed to the office riversj@warrencountyny.gov. Please include the name and contact information for the nominating person. You may choose to include a picture with your nomination to me or you can elect to wait and see if your nominee is chosen. Once I have received all nominations from Warren and Hamilton Counties they are voted on and then our winners are submitted to the state for inclusion in a booklet of winners from all over the state. In order to submit to the state on time I am asking that all nominations be received by my office by Friday, February 10th.

Please be sure the chosen applicant agrees to be nominated and is comfortable with the recognition. I suggest an interview with the nominee that can also be used to verify that the information you have compiled is complete and accurate. Please do not leave any of the boxes blank, if it does not apply to your nominee indicate that by writing NA. I can’t stress enough the importance of giving as much information as possible! I realize the boxes are very small so feel free to attach additional sheets and I will type the winning nominations for submission to the state. Please submit your nominees with completed background information to the Office for the Aging, at the address above, by Friday, February 10th.

Thank you for your assistance. I look forward to reading about the accomplishments of the wonderful seniors we have here in Warren and Hamilton Counties! If you have any questions, or need additional information, please contact me.

Thank you,
Dee
NYSOFA will only accept official submissions through the online portal, from the Area Agency on Aging.

**Tips for Keeping Food Fresh Longer**

**Fresh Fruits and Vegetables**
Line the bottom of your refrigerator’s crisper drawer with paper towels. They’ll absorb the excess moisture that causes veggies to rot.
Wash berries in water with just a bit of vinegar before popping them into the fridge.
Lettuce needs moisture to stay fresh and will quickly wilt if it dehydrates. Wrap lettuce in damp paper towels and store in a plastic bag. If salad greens begin to wilt, soak them in ice water to crisp them up before fixing a salad.
Prevent mushrooms from getting slimy by wrapping them in paper towels before refrigerating.
If you cover the crown of a banana bunch (where the stems are) in plastic wrap, the bananas will last longer. Bananas release natural ethylene gas to ripen themselves, and most of the gas is released from the stem. By wrapping the crown, you will prevent some of the gas from reaching the rest of the banana.
Keep apples away from other foods. Apples give off ethylene gas, which can cause foods to spoil. If they get too soft, just cook them!
Store potatoes with an apple to prevent sprouting.

**Meat, Fish and Eggs**
Store eggs in their original carton. If you’re unsure of an egg’s freshness, see how it behaves in a cup of water: Fresh eggs sink; bad ones float.
Meat & poultry should be kept in its original package if you’ll use it within 2 days. (Re-wrapping increases the risk of exposing the food to harmful bacteria.) Otherwise, wrap it in foil and freeze.
Fish should be kept in a bag on top of a bowl of ice and eaten as soon as possible. You can also freeze fish or broil it and store in the fridge.

**Bread and Cereal Products**
Freeze flour for 48 hours to kill any insect eggs that might be present. Then, place in a tight-sealing container; and store in a cool, dry spot away from sunlight.
To help ward off weevils, try slipping a bay leaf into your storage container. The scent of the bay leave will help repel the bugs.
Contrary to popular belief, storing bread in the refrigerator actually makes it spoil more quickly. Your best bet is to store bread on the kitchen counter in a tightly sealed bag or container.
To revive day-old muffins, sprinkle them with water, place in a paper bag, and pop in a hot oven for five to 10 minutes. The steam created by the water will restore moisture.

**Dairy Products and Cheese**
Keep milk in the main part of the fridge compartment if you have the space. When milk is stored in the door rack it’s warmed by the ambient air of the kitchen whenever the fridge door is opened.
Make sure to wrap all cheese securely in wax paper or cheese paper before storing it in the refrigerator, which allows it to breathe without letting in excess moisture or odors from your fridge.
You can also rub butter on the cut parts of hard cheeses to prevent them from drying out. You can also freeze cheese!
In order to make cottage cheese or sour cream last longer, place the
Italian Spinach Soup
We served it with simple sourdough toast. This is a healthy and wonderful dish!

1/2 cup low fat milk
1/8 tsp ground nutmeg
5 Tbsp. freshly grated Parmesan cheese

Clean spinach and put in a pot with 3-4 cups water and 1 tsp salt. Cover and cook until tender, about 3-4 minutes (you may need to stir to cook evenly).

Keep the water from the cooked spinach to use as the base for the broth that you add (if you are using concentrated or dried broth that needs to be reconstituted). Otherwise, discard it.

Put the butter and onion in a large soup pot and turn to medium. Sauté until the onion becomes pale gold, about 4 minutes. Add the spinach and sauté uncovered for 2-3 minutes, stirring.

Add the broth, milk, and nutmeg, and bring to a simmer stirring occasionally. Add the grated Parmesan, stirring thoroughly, taste and correct for salt.

Turn off the heat and serve with toast or crostini on the side.
Server with fresh ground pepper (optional).

Chicken Cordon Bleu - Schnitzel Style!

1/2 cup olive oil
1 1/4 pounds thin sliced boneless skinless chicken breast (think cutlets - chicken tenders are too skinny for this)
2 cups Japanese style bread crumbs (like Panko)
5 ounces sliced ham
4 ounces sliced Swiss cheese
2 large eggs, beaten
Lemon wedges (optional)

Heat 1/4 C of oil in large flat skillet over medium heat. Place beaten eggs and bread crumbs in separate wide flat bowls, set aside. Pair up the chicken breast cutlets equal in size; you’ll need 2 to make each schnitzel “sandwich” and depending on size, each sandwich will serve 2 people.

Place between wax paper (I recycle my cereal and cracker liner bags for this because they are so durable for pounding); using mallet pound to a thickness of 1/4”. Place slice of ham on one of the chicken cutlets and top with slice of Swiss cheese; trim the ham and cheese to fit the chicken cutlet shape. Top with the matching chicken cutlet to form the sandwich. At this point you may need to cut the sandwich in half to serving size, so it is easier to handle, coat and cook.

Holding each sandwich firmly, dip it into beaten eggs coating one side completely; then carefully turn it over and dip the second side in eggs, allowing excess egg to drip away. In like manner coat both sides with bread crumbs.

Put in heated oil in pan and fry until golden brown on both sides, adding the additional 1/4 C oil as needed. Serve with lemon wedges (optional).

Prep time: 30 minutes
Cook time: 15 minutes
Servings: 4 Servings

Prep time: 10 minutes
Cook time: 20 minutes
Servings: 4-6

Store butter in its original packaging. Stock up on butter when it’s on sale – you can store it in the freezer container upside down in the fridge.
Inverting the tub creates a vacuum that inhibits the growth of bacteria that causes food to spoil.

Keeping brown sugar in the freezer will stop it from hardening. But if you already have hardened sugar on your shelf, soften it by sealing in a bag with a slice of fresh bread or an apple – or by microwaving on high for 30 seconds.

“I don’t think Mom/Dad is safe to be driving anymore. What do I do?”

This is one of the questions we are asked at NY Connects. If you or someone you know is concerned about this, New York State Department of Motor Vehicles has form, DS-7, that any concerned citizen can use to inform the DMV of this concern and your name is held in confidence.

The way it works is you complete the information about the driver you are concerned about (name, address, approximate age, make & color of vehicle the person normally drives) and provide your contact information. DMV also asks you to explain why the driver ought to have their driving abilities reviewed. They ask you to have the form notarized.

This form is available at www.dmv.ny.gov or at your local DMV.

Sunnyview Rehabilitation Hospital has a Driver Training Center offering a driver assessment and on-the-road evaluation for persons who are older and/or have a disability. The program is available to any license-eligible driver, 16 years or older, and begins with a pre-driving assessment of the person’s physical, visual/perceptual, and cognitive status. They evaluate reaction time, coordination, field of vision, visual processing time, reasoning, judgment, understanding the rules of the road, and more. Once completing the pre-driving assessment, a behind-the-wheel evaluation is done to assess the individual driver’s traffic safety potential.

If their staff identify problems, they work with the driver and family to address and solve such issues. For more information, or to schedule an appointment with Sunnyview, call 518-386-3595.

“PARENTS ARE KEY: Contact this local program at 518-798-4742.

This program is designed to help older drivers determine if it’s time to make a smooth transition from the driver’s seat to the passenger seat while preserving their dignity, personal pride and independence.

For more information about this or questions about long term care services and supports please call NY Connects at Warren-Hamilton Counties Office for the Aging at 1-866-805-3931.
FRAUD ALERT!

**The grandparent scam:**
A young person will call you and say they are your grandchild and that they have been arrested or detained by the police for drugs or some other reason. A person impersonating a police officer will then get on the phone and ask for money to assure that the child will appear at a court hearing later or to release them from jail. Once the court hearing has happened your money will supposedly be returned to you. This person will often ask for money in the form of a gift card (Target, Best Buy, Walmart). They ask that you go to a store, purchase the gift card and then read them the code off the back of the card. They may also ask you to wire money to them. AARP offers a website where you can keep up with information on new scams, investment fraud and identity theft.

**When did Martin Luther King Day become a holiday?**
At the White House Rose Garden on November 2, 1983, President Ronald Reagan signed a bill, proposed by Representative Katie Hall of Indiana, creating a federal holiday to honor King. It was observed for the first time on January 20, 1986.

**Why do we have a holiday for Martin Luther King?**
America will always remember the work of Martin Luther King, Jr. Each year, on the third Monday in January, we celebrate his birthday. This is the first national holiday to honor an individual black American.
