NEWSLETTER UPDATE

In an effort to streamline communication and continue to provide important information to our Seniors, the Newsletter will now be published quarterly. Starting in April 2018 we will publish a Spring, Summer, Fall and Winter Newsletter. The quarterly Newsletters will continue to provide important NY Connects information, Local Senior Center highlights, activities, schedules, programs and trip information. The Quarterly Newsletter will also include Menus for each month within the quarter.

Please note that the Newsletters are available online at:

Medicare Information and Updates

Preventive Services
FYI: Medicare offers many preventive services and screenings at little or no cost to beneficiaries. A full list of these can be found on Medicare.gov using the search term ‘Preventive & Screening Services’ or in your Medicare & You 2018 handbook beginning on page 35.

Preventive & Screening Services
Medicare Part B (Medical Insurance) covers:
- Abdominal aortic aneurysm screening
- Alcohol misuse screenings & counseling
- Bone mass measurements (bone density)
- Cardiovascular disease screenings
- Cardiovascular disease (behavioral therapy)
- Cervical & vaginal cancer screening
- Colorectal cancer screenings
- Depression screenings
- Diabetes screenings
- Diabetes self-management training
- Glaucoma tests
- Hepatitis C screening test
- HIV screening
- Lung cancer screening
- Mammograms (screening)
- Nutrition therapy services
- Obesity screenings & counseling
- One-time “Welcome to Medicare” preventive visit
- Prostate cancer screenings
- Sexually transmitted infections screening/ counseling
- Shots:
  - Flu shots
  - Hepatitis B shots
  - Pneumococcal shots
- Tobacco use cessation counseling
- Yearly "Wellness" visit

Part D Prescription Costs
Medicare prescription cost saving ideas

Formulary: Are your medications on the formulary of your 2018 plan? If not you can ask your prescribing physician to submit a Request for Medicare Prescription Drug Coverage Determination form to your plan asking to have medication added to your formulary.

Generics: Can your doctor prescribe lower costing generic options?

Deductibles: Some plans have deductibles that increase costs. Avoiding a deductible may be done with a tiering exception, using the same form from your physician as the formulary exception mentioned above or by qualifying for benefit programs.

EPIC: New York State’s Prescription Assistance Program. This benefit program is available to all NYS residents 65 years and older and works with Medicare prescription plans. Applications available at OFA or by calling EPIC: 1-800-332-3742.

Extra Help/Medicare Savings Program: Benefit programs for low income clients. Can result in lower copays and premium assistance for Parts B and D. Applications for Extra Help can be obtained through Social Security and applications for the Medicare Savings Program (MSP)/Extra Help can be obtained through OFA or your local Department of Social Services

Manufacturer Programs: Contact the manufacturer of the high cost medication to see if they have a financial assistance program.
Volunteers Needed for Preparedness Drill

As part of Warren County Public Health’s Emergency Preparedness funding, each year New York State mandates all counties to participate in a full scale exercise. This year, the exercise has been set for April 3, 2018. While we have not been given our entire scenario yet, we have been told we will be testing our capabilities to vaccinate a large group of people in a short amount of time. For the purpose of this exercise, NO VACCINATION will be given to volunteers; it is all a simulated experience. This exercise is mandatory for Warren County Public Health and we are looking for volunteers to walk through as our “patients” to help test our capability in an event.

PLEASE NOTE: volunteering as a “patient” will not provide you with an actual vaccine or medication. This exercise is all simulated, there will be no vaccine administration, no needles involved and no dispensing of any medications. It is simply to test our capabilities from an emergency preparedness standpoint. While we hope to never truly need to use these mass event medical protocols, it is something we want to be prepared for!

What do we need from our community members then? We need VOLUNTEERS! We can’t do this without the volunteers; we need to test our throughput capabilities, which is roughly 100 “patients” per hour. The exercise will run from 9:30AM until 11:30AM at the Warren County Human Services Building. We will need individuals to walk through the process as a pretend patient in need of a vaccination during the allotted exercise time. Again, please remember, at no point of this exercise will you be given a physical vaccination; it will all be simulated from a medical standpoint.

To sign up to volunteer or for more information about the exercise and what it entails, please contact J’nelle Oxford at oxford@warrencountyny.gov or 518-761-6417.

OFA QUESTION AND ANSWER

Dear OFA,

My Dad is 74 and drives mostly during the day. However, we are all concerned because he can’t see very well and has become forgetful. We are afraid he will forget to stop at a red light, or drive in the wrong lane and cause an accident. We don’t want him to get hurt or to hurt anyone else. We have offered to drive him places in the evening which has helped though sometimes he stays home all day and then goes out driving at dusk. What can we do?

Sincerely,
Worried in Warrensburg

Dear Worried,

There are a few options you can try. First, continuing to offer rides and checking to see if he needs anything can minimize the number of times he has to drive. Let him know you care about him and are aware of his decreased night vision. You may ask to have a conversation with him to find out if he has already made plans to limit his hours of driving or to surrender his license in the future. Another option is to obtain Form DS-7 “Request for Driver Review” from your local New York State Department of Motor Vehicles. Your name is held in confidence while this allows you to make known your concern to the agency that grants driving privileges. The form is easy to complete and is also available online at www.dmv.ny.gov.

People have a constitutional right to make choices about their lives, even bad choices. Plan to find a balance between his self-determination and safety; giving up driving would mean a loss in mobility and sense of control. Having someone ride with him while he drives could help him to feel some continued sense of control over his life. If you would like more information about transportation options, please give us a call.

Sincerely,
OFA

March is National Nutrition Month

Catherine Keating-Stauch, RDN CDN Certified Dietitian Nutritionist

National Nutrition month ® (NNM) is a nutrition education and information campaign created annually in March by the Academy of Nutrition and Dietetics. The campaign focuses on the importance of making informed food choices and developing sound eating and physical activity habits.

"Go Further with Food" is the theme for 2018, and its importance is timely for many reasons. Whether it’s starting the day off right with a healthy breakfast or fueling before an athletic event, the foods you choose can make a difference. Preparing foods to go further at home and within the community can have a positive impact as well. As nutrition experts, Academy members can help people adopt healthier eating styles, while reducing food loss and waste.

Be sure to revisit the Academy’s National Nutrition Month® website during the upcoming months for new and updated resources to help make the NNM 2018 celebration an infinite success!

Pledge to make a small, nourishing change and stick with it, one meal at a time.

Too many changes at once can be overwhelming and hard to keep up. It’s better to make one nourishing change that sticks.

First, choose your change. Think about your eating habits. Where can you make a positive, easy change?

Here are some ideas that can make a big difference:

- Fill more of your plate with vegetables.
- Choose whole grain instead of white bread.
- Serve smaller portions.
- Enjoy fruit for snacks instead of sweet or salty treats.
- Drink water in place of sugary beverages, like pop.

**Easy Snack Recipe for National Nutrition Month**

Try a Frozen Yogurt Fruit Cup for an easy snack recipe during March this year, and join us in celebrating National Nutrition Month.

---

**Frozen Yogurt Fruit Cup - Serves 6**

**Ingredients:**
- 1 banana
- 8 ounces plain low-fat yogurt
- 4 ounces frozen berries, thawed with juice
- 4 ounces crushed pineapple canned in natural juice, with juice

**Directions:**
Line 6 muffin-tin cups with paper baking cups.
Dice or mash banana and place in a mixing bowl.
Stir in remaining ingredients.
Spoon into muffin cups and freeze at least 3 hours or until firm.
Before serving, remove paper cups and let stand 10 minutes.

**Nutritional Information Per Serving:**

**Beef, Cheese and Noodle Bake**

**Yield - 8 servings (serving size: about 1 cup)**

**Ingredients**
- 1 (8-ounce) package small elbow macaroni
- Cooking spray
- 1 cup pre chopped onion
- 1 cup pre shredded carrot
- 2 teaspoons bottled minced garlic
- 1 pound lean ground sirloin
- 1 cup tomato sauce
- 1 cup fat-free milk
- 1/2 teaspoon kosher salt, divided
- 1/2 teaspoon freshly ground black pepper
- 2 tablespoons all-purpose flour
- 1/8 teaspoon ground nutmeg
- 1 1/2 cups (6 ounces) 2% reduced-fat shredded sharp cheddar cheese (such as Cracker Barrel), divided

Preheat oven to 350°.
Cook pasta according to the package directions, omitting salt and fat; drain. Lightly coat pasta with cooking spray.
Heat a Dutch oven over medium-high heat. Coat pan with cooking spray. Add onion and carrot, and sauté 4 minutes. Add garlic; sauté 1 minute. Add ground beef; cook 5 minutes or until browned, stirring to crumble. Add tomato sauce, 1/2 teaspoon salt and pepper. Cook for 2 minutes or until most of liquid evaporates.
Add pasta to beef mixture in pan, stirring to combine. Spoon pasta mixture into an 11 x 7-inch baking dish coated with cooking spray.
Place milk, flour, nutmeg, and remaining 1/2 teaspoon salt in a medium saucepan; stir with a whisk until blended. Cook over medium heat 2 minutes or until thickened, stirring constantly with a whisk. Add 1 cup cheese, stirring until smooth. Pour cheese mixture over pasta mixture; stir. Top evenly with remaining 1/2 cup cheese. Bake at 350° for 20 minutes or until lightly browned. Let stand 5 minutes before serving.

**Chef's Notes:** For creamiest results, do not over bake.

Important Alert  Medicare Part B late enrollment penalty

In most cases, if you don't sign up for Part B when you're first eligible, you'll have to pay a late enrollment penalty. You'll have to pay this penalty for as long as you have Part B. Your monthly premium for Part B may go up 10% for each full 12-month period that you could have had Part B, but didn't sign up for it. Also, you may have to wait until the General Enrollment Period (from January 1 to March 31) to enroll in Part B. Coverage will start July 1 of that year.

Usually, you don't pay a late enrollment penalty if you meet certain conditions that allow you to sign up for Part B during a Special Enrollment Period.

If you have limited income and resources, your state may help you pay for Part A, and/or Part B. You may also qualify for Extra Help to pay for your Medicare prescription drug coverage.
