

**CONGRATULATIONS MIKE KAZLO, WARREN COUNTY DEPARTMENT OF SOCIAL SERVICES EMPLOYEE OF THE QUARTER!**

Mike Kazlo began working in the reception area at Warren County Department of Social Services as an intake clerk in December of 2021. In the year and 1/2 that he has been working here, he has been an exemplary employee and has already received promotion to Medicaid Clerk.

Said DSS Commissioner Chris Hanchett: "Mike comes to work with a smile each and every day. He adds such a positive presence to the reception unit with his cheerful attitude and great sense of humor. Mike is always willing to help out coworkers who may be struggling or overwhelmed. He takes on any additional task that is asked of him, and he is always the first to jump on the reception window when help is needed.

When it comes to helping the people we serve, Mike is always willing to adjust his schedule for the benefit of the office, is always pleasant, calm and patient with clients on the phone or in person. He is known to gladly assist clients with paperwork and applications. Mike has even given his own belt to a client who was in desperate need of one at the time.

All of these qualities, plus Mike's professional approach to all aspects of the job and his willingness to learn new duties has made the decision to award him the Commissioner's staff member of the quarter an easy one!

Thank you for all you do Mike! We appreciate you!"
