Second Pond Trail

SIAMESE PONDS WILDERNESS - TOWN OF JOHNSBURG, NY

- Difficulty:** Moderate
- Length:** 5.4 miles round trip
- Elevation Gain:** 240'
- Time to Complete:** half day
- Trailhead Coordinates:** -73 2.57 43 38.7
- Markers:** Yellow
- Trail Notes:** This seldom used trail involves some mud and a bit of log scrambling and rock hopping, but the reward is a wild, pristine half mile pond at trail's end. The trail is well-marked and mostly flat, with a couple locations of moderate elevation change. The pond is a great spot to fish for brook trout, and a primitive campsite allows for an overnight adventure.
