

Employee of the Month

March

Cindy Van Dorn
Senior Motor Vehicle Examiner

In the words of her Department Head, County Clerk Pam Vogel: “Our department recognizes the excellent service that all of our employees offer to our customers, throughout the course of the year. Of the many compliments received during the year, this one for Cindy Van Dorn, a 12-year employee with Warren County, captures the essence of what we look for in an employee and what we try to do here each day.”

And in the words of the customer: “She was able to help me during a time that was incredibly difficult...she exhibited professionalism, kindness, efficiency and great care in my case. My DMV matter did not resolve easily (it required involvement from an insurance company, Albany DMV and Warren County DMV)... communication went on daily, a couple of times a day, for 4 days. Cindy always presented herself with enthusiasm and great care for her clients. I am grateful that she was assigned to my case. She is a remarkable young woman.”

On behalf of the Board of Supervisors we want to thank Cindy for her efforts and for representing Warren County so well. It is my pleasure to recognize Cindy VanDorn of the County Clerk’s DMV office as Warren County Employee of the Month for the month of March 2019.
