

JANUARY

EMPLOYEE OF THE MONTH

STEPHANIE COULMAN

Department of Social Services – CPS Caseworker

Stephanie is a veteran caseworker in Child Protective Services. She goes above and beyond to work with new caseworkers. Stephanie takes new caseworkers into the field with her, models best casework practices, teaches them in the Connections System, and responds to questions they have. Stephanie is a positive mentor for new staff. She also has taken on some difficult cases over the last few months; including a child fatality and physical abuse case. Stephanie's casework is thorough and well written. She has positive relationships with community service providers and works well with the multi-disciplinary team. Stephanie is also part of the Activities Committee that works to improve morale and host activities throughout the building.
