

The NY Connects Long Term Care Council is made up of individuals receiving services, caregivers, health care providers, community members, and many agencies that work together to problem solve. We assess needs, identify gaps in long term care, and work to improve service delivery for all consumers.

Your participation in the LTCC is important!!

We meet quarterly to discuss current issues related to long term care.

There is **NO fee to be a member of this group. **

NY Connects is a statewide, locally based “No Wrong Door” entry system providing one stop access to free, objective, comprehensive information and assistance on long term care services and supports.

A long term care council (LTCC) must exist in each county to conduct long term care system planning and development to ensure achievement of the goals and objectives of NY Connects.
